

STERLING

MINI AIR MOVER

(Model F-13A)

Model F-13A is a versatile, 3-speed air mover for floor, carpet drying, water restoration and multiple ventilation and cooling needs. Small and lightweight at 4 pounds, this handy air with its adjustable outlet can blow a high volume of air, at multiple angles, while occupying the smallest footprint. Its ability to operate in a wide variety of positions makes the F-13A unmatched in the industry.

FEATURES:

- Great for drying floors and carpet.
- Clean-up, restoration projects.
- Building ventilation, personal cooling.
- Accelerating paint drying times.
- Inflatable signs and balloons.

Much, much more!
