

HEPA PRO HAUL-A-HEPA

INTRODUCING HAUL-A-HEPA!

It's a four-in-one portable HEPA vacuum for the professional contractors looking for the ultimate in versatility. Haul-a-HEPA is a genuine HEPA Vacuum equipped with an individually tested and certified HEPA filter. It's compact, portable design and advanced filtration makes the Haul-a-HEPA an essential tool for professionals in construction, restoration and remediation. It is ideal for EPA dust sampling and spot clean-ups of hazardous particles requiring HEPA filtration with a minimum efficiency of 99.97% at .3 microns. The Haul-a-HEPA exceeds OSHA and EPA requirements including RRP Rule (Renovations, Repair and Painting) for lead dust removal.

THE HAUL-A-HEPA IS FOUR VACUUMS IN ONE!

1 Hand-Held HEPA Vacuum
Large handle allows you to grip, grab and go toolbox-style.

2 Shoulder HEPA Vacuum
Adjustable strap allows for hands free mobility during vacuuming.

3 Canister HEPA Vacuum
Rolls easily across floors for uninterrupted cleaning.

4 Wall Mount HEPA Vacuum
Workstation cleaning or storage in utility rooms & janitor closets.
