

HEPA PRO 4

Sterling's HEPAPro 4 is a powerful 4-gallon, dry only HEPA vacuum with exceptional stability. Designed for the professional contractor for quick clean-ups, this HEPA vacuum has a low profile, compact design that makes it extremely maneuverable and easy to transport. Connect the HEPAPro 4 to power tools for superior dust management and to exceed EPA's RRP requirements. Equipped with a complete assortment of pick-up tools for cleaning virtually any type of floor or above floor surface.

FEATURES:

- 1.5 HP commercial grade motor provides the air-flow and suction of vacuums twice its size.
- HEPA filters are individually tested and certified to have a minimum efficiency of 99.97% at .3 microns based on particle count test method, IEST-RP-CC001.
- Includes conveniently mounted electrical receptacle for connecting electrical power nozzles.
- Onboard tools and power cord storage.
- Low profile design prevents tipping while providing greater mobility.
- Conveniently located foot activated on/off switch.
- Quiet operation for use in homes and public areas.
- Certification - meets UL, CSA and EPA's RRP standards.
