## EXTRACTOR

(Models SC4000)

Introducing Sterling Self-Contained Extractor model SC4000. This All-In-One carpet and upholstery cleaning machine can be used as a self-contained unit or as a portable tank extractor\*. Extremely portable and easily operated by a single worker, the SC4000 is built to endure the most demanding extraction applications. It is equipped with a powerful three-stage vacuum motor for increased recovery speed and shorter drying times.

\*When connected to optional steel floor wand, 10-foot solution and vacuum hoses.

### FEATURES:

- 3-Stage 2HP Vacuum Motor for maximum waterlift and shorter drying times.
- 120psi pump for deep-down cleaning of carpet fibers.
- Three quick disconnect spray jets dispenses cleaning solution evenly. Easy to remove for cleaning or replacement.
- .33 HP brush motor with chevron style brush agitates carpets, collects solution toward vacuum shoe for maximum pick-up.
- 2-inch O.D. Dump Valve for quick, easy draining of recovery water into bucket or floor drain.

### TECHNICAL SPECIFICATIONS:

<b>Model:</b>	SC4000
Item Number:	140-1400-10
Cleaning Path:	18"
Capacity:	7.5 gallon solution, 6 gallon recovery
Vacuum motor:	One (1) three-stage
Waterlift:	143 inches
CFM	106
Power:	120V AC with 14 amps (maximum 19 amps)
Pump motor:	120 PSI, 1.4 GPM Flow rate
Construction:	Rotationally molded polyethylene housing
Cable:	12-3 X 50' power cord
Dimensions:	L38" X W18" X H30"
Weight:	79 lbs.

### OPTIONAL ACCESSORIES:

142-4001-14	Steel Floor Wand
142-4011-14	10-foot Solution Hose
142-4012-14	10-foot Vacuum Hose
